

Part 3 的八大题型

Part 3 的话题分为政府，科技，环境，教育，社会等等

但是因为无法做到完全预测，所以考生可能在考试当中会没有思路，或者没有语料

你觉得时尚是一个轮回吗？

你觉得中国人什么时候生孩子最好？

你觉得谁应该赚更多的钱，律师还是警察？

我们没有办法预测，因此我会根据问题的类型来进行讲解

1. 选择类，choice
2. 原因类，reason
3. 优劣势类，pros and cons
4. 重要性类，importance
5. 差别与改变类，change or difference
6. 观点与展望类，opinion or future prediction

7. 建议与方案类, suggestions and plans

8. 理想与标准类, ideal and standard

总体的一个逻辑对于 part 3 就是:

开头句+reason 1+中间句+reason 2+结尾句

开头句: 向考官阐述你在思考, 而不是想都不想就直接回答, 因为题目较难, 无法做到直接回答, 除非考官认为你在家已经准备好了, 这样的话分数会降低

中间句: 两个结构

并列

转折

1. 选择类

Do people in your country prefer to cook at home or eat out?

开头句: Well, it mostly depends on different age groups.

Reason 1: what is obvious is that youngsters often eat out because with the development of economy, more and more young adults are facing huge pressure on their work or study, which means they do not have enough time to cook at home. But eating out is really convenient and they can also hang out with their friends after work or study.

中间句: on the contrary

Reason 2: for most elders, it is a better choice for them to cook at home, because they usually get up early in the morning to go to the morning street markets buying some fruits and vegetables. So they can save lots of time and money. In addition, it is much healthier for them to cook at home.

结尾句: that is what I think.

2. 原因类

Why is online shopping so popular now?

开头句:

Well, there are several reasons why online shopping is so popular now

Reason 1:

The most dominant reason is that with the development of technology, more and more people think that online shopping is really convenient, and they can even buy everything online at home without going to the supermarkets or shopping malls. It is really timesaving.

中间句:

In addition

At the same time

What is more

Furthermore

Reason 2:

Sometimes during special events like double eleven, online shopping offers huge discount compared with

traditional shops. By this way people can save lots of money in order to buy more products than before

结尾句:

That is why online shopping is so popular now

3. 观点与展望类

What do you think of distant learning which is quite popular now?

开头句:

Well, frankly speaking, it is really hard to say what the distant learning will be like in the future since we are not sure what government and citizens might do with it in the following years.

Reason 1:

However, I guess, the distant learning will be more popular than before. There are several reasons. Firstly, it is really convenient for students and teachers to do some learning. Students can be taught at any time at anywhere. Teachers can save time to prepare

traditional paper notes. They can also use some PowerPoint to make the class more vivid.

中间句:

What is more

In addition,

Apart from that

Reason 2:

Another factor is that compared with traditional teaching method, it is much cheaper than that which means students are more affordable to have more classes than before.

结尾句:

That is what I can imagine

4. 建议与方案类

What should the government do to protect the wild animals?

开头句:

In order to solve the problems of protecting the wild animals, both governments and individuals need to take their own responsibilities.

Reason 1:

What government should do is to build up some natural reserve wilderness to increase their population who are in danger such as tigers and crocodiles.

中间句:

Furthermore

Reason 2:

People's awareness of protecting the wild animals should also be raised greatly. They should stop buying products which are made of animal's skin or furs. So no buying, no killing.

结尾句:

Only government and individuals do that way, can the problems be tackled effectively.

5. 优劣势类

What are the advantages and disadvantages of technological development?

开头句:

It is undeniable that a number of advantages and disadvantages coexist in terms of technological development

Reason 1:

From my point of view, one of the most noticeable advantage is that it can improve the work or study efficiency. Nowadays, more and more people study or work by electronic devices such as computers or cellphones. It is so convenient.

中间句:

On the contrary

Reason 2:

One of the negative points is that people tend to be more rely on the technology instead of doing something by themselves. By this way, people are getting lazier and lazier.

结尾句:

That is all.

6. 差别与改变

What has been changed in terms of people's ways of spending their spare time?

开头句:

Well, it is undeniable that there are lots of changes in terms of people's way in spending their spare time.

Reason 1:

From my point of view, the first change is that people tend to hang out with friends more than families. Because they have a better understanding between

each other. However, having time with their families may lack topics to talk about.

中间句:

What is more

Reason 2:

Another change is that people tend to use more technology to enjoy their free time. For example, they spend more time using cellphones and computers to catch up with some TV dramas or chat with their friends, sharing live through social media.

结尾句:

That is all.

7. 重要性类
