

Part 2 背景:

题目非常非常多, 因为每一个季度 4 个月左右, 1, 5, 9, 出题, 考生应该有 4 个月左右来进行复习, 然后再进行考试, 但是一般来说, 每个季度的第一个月和最后一个月, 一般不考试。

第一个月, 没有题库, 无法复习

最后一个月, 会有很大变化, 无法预测考官的想法

前面几个月的时候, part 2 考察人物类的比较多, part 1 一般来说是 1 个必考题+1 个新题+1 个旧题, 但是最后一个月会有很大变化, 无法预测, 增加了考生的难度。

总体来说, 口语考试, 复习时间比较短, 通常来说是 2 个月

Part 2 考题数量一般维持在 50-60 左右

就算每天练习 1 个, 也至少需要 2 个月, 更何况还有其它学科。

无法做到精炼

最重要的方法是串题法!!!!

典型题+变形题

Describe a child who did something and made you laugh

6 月 29 日, 林俊杰演唱会, 在哈尔滨举行, 我花了大价钱和我老婆去看了一场难忘的演唱会, 我们到了演唱会场的时候, 发现旁边坐了一位小孩, 无人看管, 父母都不在, 经过交谈, 发现, 他自己攒钱买了一张林俊杰的演唱会门票, 我感到非常惊讶, 在演唱会开场前, 他非常安静的坐在那里玩手机, 但是演唱会开了, 他上蹿下跳像个猴子,

最令我开心的是，他能够唱所有林俊杰的歌曲，但是没有一首歌曲在调上，让周围的人啼笑皆非，逗得我们非常开心

Describe a time when you got up early

You should say:

When you got up

What you did

Why you got up early

And explain how you felt about it

Today I will talk about a time when I got up early. Well, 2 years ago, when I finished my high school study, I had a three-month holiday, so my friends and I went to Dalian, a beautiful coastal city in the northeast of China to have a trip.

We did lots of things there, for example, we enjoyed the yummy seafood, went to visit some tourist attractions. But the most unforgettable moment was that we decided to see the sunrise on the beach at the last day.

We got up so early in the morning, around 4 am, when it was just at the dawn. Because we wanted to go to the beach and took the best place to observe the beautiful landscape closely. There were so many people who were willing to see the sunrise on that day as well. In addition, we did not want to miss anything, so we had to get up so early in the morning.

Talking about my feeling, firstly, in the beginning, I was really tired, because I was not used to get up that early in the morning. And also I felt really nervous because I did not know if we could see the sunrise. Secondly, we eventually saw the picturesque scenery and took some pictures sharing through social media. It was really memorable for all of us. I have never seen such a beautiful sunrise before. So that is all. Thanks.

Describe a party that you enjoyed

You should say:

When it took place

Where it was

What you did there

And explain how you felt about the party

Today I will talk about a party that I enjoyed. 2 years ago, when I finished my high school study, I had a 3-month summer vacation. and during that time, my birthday came, so I wanted to hold a party and invited all of my friends, families and teachers to celebrate together.

I searched through the Internet and booked a fancy restaurant locally which was really famous for its local snacks. In the end, all of them came on time and we really had a good time.

During the party, we did lots of things such as singing, dancing, chatting etc. but the most unforgettable moment for me was that I just grew up and had an adult ceremony, which means that in the future, I could make decisions on my own and did not need to follow all my parents' advice. In addition, we played a game called honest and brave in order to have a better understanding of the whole families.

Talking about the feelings, firstly, this maybe the last time that we got together because in the future, we had to study in different places, only on spring festivals could we gather again. So we felt a little upset

and cherished. Secondly, I felt really excited, because like what I said before, I have grown up and became an adult. So next month I am going to study in a very good university because I did really good job in the college entrance exam. So I was really looking forward to studying there and have a new life. That is all. Thanks.
