

Countryside

Which part do you live in now, in the city or in the countryside?

Have you ever lived in the countryside before/ when you were a child?

Well, currently I live in the city now because I am a college student studying in Harbin Institute of Technology which is located in Harbin, a big city in Heilongjiang Province. And also all my families and friends all live in the city, so I don't have opportunities to live in the countryside.

What do you think of living in the countryside? Do you like it?

Of course if possible, I like it very much. Firstly, I can get close to nature and breath the fresh air. Also I won't feel more pressure if I live in the countryside because the housing price is not that high and I can afford it.

What do you/people do in the countryside?

Well, as I mentioned before, I have never lived in the

countryside before. But according to my grandparents, they told that people could do some farming and feed some animals in the countryside. In addition, they can build up some holiday villages to develop the local tourism.

1. Friends

Do you have lots of friends?

What kinds of friends do you like to make?

Do you think you are a good friend?

Well, of course I have lots of friends. Because I am an easy-going and helpful person, so people like to talk with me and I often help them when they are in trouble. And also I like to make friends who have the same interest with me which means we have a lot to talk about.

Do you have lots of friends who live far away from you?

Do you have any old friends that you have known since you were little?

Well, I have almost ten friends that I have known each other

for over 10 years. We study in the same kindergarten, primary school, secondary school or even universities. Now they live in different cities, but we still keep in touch during spring festival.

Which one do you prefer, one really close friend or many friends?

Well, to be honest, I prefer one close friend. Because when I am in trouble, he always helps a lot compared with other normal friends. Making lots of friends need more spare time to hang out, but I am very busy with my study, so I do not have enough time to do the social activities.

2. Wild animals

Do you like wild animals?

What kinds of wild animals do you like most?

Of course I like wild animals, especially pandas which are the traditional Chinese culture. They are the national treasure. In addition, they are very adorable and cute because of the

black and white color.

Do you often go to the zoo to see them?

When was the last time you went to the zoo to see them?

Where do you think maybe a better place to see wild animals, in the zoo or in the wildness?

Sure, I often go to the zoo to see the wild animals such as lions or tigers. Because they are very close to my hometown, and also the tour guide can teach us some knowledge about the wild animals. So I think zoo is a good place to observe wild animals closely because it is very safe compared with seeing them in the wildness.

Do you think it is important to protect wildlife/wild animals?

Nothing is more important than protecting the wildlife or the wild animals. Because some of them are nearly extinct or die out. So we have to build up some natural reserve parks to increase their population. In addition, we also need to pay more attention to the biodiversity and keep the food chain in the ecosystem.

3. Language

What kind of language can you speak?

When did you start to learn a foreign language? Do you like it?

Do you think it is hard to learn English?

Well, of course I can speak Chinese, especially mandarin. That is my mother tongue. In addition, English is also very important for me. I started to learn it when I was a primary school student. I think it is quite hard for its speaking. But reading and listening is a little bit easy.

Can you speak other language?

Do you want to learn another language other than English?

What foreign languages do you often use?

Do you plan to learn to speak another foreign language?

Well, to be honest, now I can only speak Chinese and a little English. But in the future, if possible, I would like to learn another foreign language such as Japanese, because I am really

interested in its animation or cartoon. Also I may study Korean, because my girlfriend always catches up with Korean soap dramas.

Do you think it is important to learn to speak another foreign language?

Well, for sure I think so. Mastering a foreign language can help us find an ideal job. In addition, I can learn more culture and history all over the world as well as making more friends to expand my friend circles.

4. Voice

Do you like your voice?

Have you ever recorded your voice and listen to it?

Well, of course I like my voice very much, you know, I am really good at singing. I can sing all kinds of music such as pop, rock etc. and also I always keep my demo and listen to it. Sometimes I even post it through social media like WeChat and ask my friends to listen.

Do you have similar voice with your parents?

Well, I don' t think so. You know, different people have different voices. And also, my parents are older than me, so inside their voice, it is full of experience and stories. In addition, we have different habits, for example, my father likes smoking or drinking, so his voice is lower than me.

Do you think people' s voice would change as they age?

I think so. It is a natural process. For example, most of people change their voice around 13 when they are in the period of adolescence, also, different people will face different lives, so of course their voice would change when they grow up.

5. Make up

Do you like wearing make up?

What does wear makeup mean to you?

Well, it means a lot to me. Wearing makeup can develop my confidence and leave a good impression on others. In addition,

I feel delighted when I wear makeups.

Would you give makeup as a gift?

Well, it depends. For my families or close friends, I may give makeups as a gift because I know their preference and I can choose the suitable one for them. But for normal friends, as a student, it is very expensive for me, so I may buy something else to replace the makeup such as snacks.

How do you feel when you see a man wearing makeups?

Well, it depends on different jobs. For some celebrities like singers or actors, wearing makeups is fine even for a man. But for normal friends, I cannot accept it in the beginning, but later maybe I can.

6. Jeans

Do you like wearing jeans?

Do you often wear jeans?

How often do you wear jeans?

Well, I like wearing jeans very much, nearly every day I wear jeans. Because I think it is very fashionable and comfortable. In addition, it is very cheap for a student.

What type of clothes do you often wear?

Well, I often wear some sportswear to do some sports such as basketball or football. In addition, I also like to wear some suit on special occasions like parties or interviews.

Have you ever bought jeans by yourself?

Where do you buy them?

Well, I always buy jeans by myself because I have to try it on. But with the development of technology, I often buy clothes through internet like online shopping, it is very convenient.

7. Haircut/hairstyle

How often do you have a haircut?

How long have you been keeping this hairstyle?

Well, you know, I am a boy, so I often do my haircut, maybe once a month. Because my hair grows very fast. But I think my hairstyle is very suitable for me, so I keep my hairstyle for a long time, maybe two years already.

Do you want to change the color of your hair / change your hairstyle?

How often do you change your hairstyle?

When was the last time do you have a haircut/ have your hairstyle changed?

Well, to be honest, I don't want to change my hair color or even hairstyle, because I think it is very suitable for me at the moment, and also changing hairstyle or hair color is very expensive in China. As a student, I cannot afford it.

Do you enjoy going to a hair salon/a barber shop?

Well, I don't think so. Going to a hair salon is very expensive as a student, and it is a waste of time. I prefer to use the time to study.

Did you have a bad experience about doing a haircut?

Have you ever kept the hairstyle that you don' t like for a long time?

Well, to be honest, there was a time that I went to a barber shop that I have never been to, and I asked the hairdresser to do my haircut. But he did it so short. And I look like 5 years older than my real age. I am not very happy, but I have no choice, and I have to keep this hairstyle for another month until it gets longer.

8. Movie

What is your favorite movie?

Do your friends like them very much?

Well, my favorite movie is avengers which is very popular all over the world. Superheroes get together to fight for freedom and peace. I like it very much. Last time I went to the cinema to see this movie with 3D effect with my friends. They all like it very much.

What kinds of movies do young people like?

Well, it depends. For boys, they are more likely to watch science fiction or action movies. But for females, maybe they like to watch some romance or comedy movies.

Do you want to be a movie star?

Well, I don't think so. Because I don't have the talent and it is a waste of time. In addition, being a movie star will lose the privacy and freedom as well as more pressure, so I don't like it.

9. Walking

Do you often take a walk?

Where do you often take a walk?

Well, you know, I am a student, so on weekdays, I often go to the playground in my campus to do some walking after dinner. But when it comes to weekends, I usually go outside to hang out with my friends or families in the shopping malls or parks.

Which one do you prefer, walking or taking the bus/car?

Well, it depends on the distance. If the distance is short, I may take a walk to do some exercise or protect the environment. But if the distance is long, I may take a bus or car to save the time and energy.

Do you walk more than when you were younger?

Do people walk more than before?

Do you think people would walk more or less in the future?

Well, I don't think so. With the development of technology, more and more public transportations are available to use for people, so I often take the public transport to improve my studying or working efficiency.

10. Concentration

Can you do two things at the same time?

Well, it depends on what kinds of things. If it is simple, I can do two things at the same time such as eating breakfast and listening to music. But if the tasks are very complex, I may not be able to do them at the same time such as studying and

watching TV.

When is it easier for you to concentrate on stuff?

Do you think it is hard to concentrate on things?

Well, in the morning I can concentrate on things easily because it is quiet and I have a clear mind. But when I have a bad mood, I may not be able to concentrate on things

What do you do to help you concentrate on things you do?

Well, there are lots of things that I can do to help me concentrate. The first one is to have enough sleep in order to have a good energy. The second one is to listen to some music or doing some exercises when I feel tired, and then I can be back to normal.
